KARAOKE ROOM

It's not a real party until you're belting out the chorus of Bohemian Rhapsody in entirely the wrong key - all in the privacy of your group's own Karaoke room priced at \$60 per hour. So as Pink, the favourite punk rock star of every suburban mum once said... "Let's get this party started".

CONFERENCE ROOM

Our conference room is the incubator of great ideas. With access to a projector and whiteboard for brainstorming and presenting, nestled within all of our facilities. NOT YOUR AVERAGE WEDDING VENUE

Over the past few years some clever, creative couples have approached us to use this unique space for their wedding venue.

Sam and Jennifer opted for an exclusive hire of The Diner and Alfresco area to celebrate their special day. A grazing table, mini golf and photo ops in the arcade were just some of the unique elements that made this event one to remember!
